Dear Kelicia,

Thanks again for making last month's transit call with Taiwan President Ma Ying-jeou possible. I'm told it went very well.

As you know, Park Strategies, LLC and I are registered with the U.S. Department of Justice, under the Foreign Agents Registration Act, as agents on behalf of our client, the Taipei Economic and Cultural Representative Office (TECRO) in the United States.

Might Senator Kyl, before the summer recess, have any time to meet with Taiwan Ambassador Jason Yuan? Ambassador Yuan can visit Capitol Hill at Senator Kyl's convenience. If not before the recess, we can then just try to work out something for after Labor Day. Let me know if there's interest, and we can discuss next steps. Again, thanks so very much for making last month's transit call possible.

Kindest regards,  
Sean King

Thanks Sean. I will be out of the office on Monday, so please work with Liz Mascot, the Senator's Arizona scheduler, to find the best time.

Thanks again and please let me know if you need anything else.

Best,

Meagan,

When you have a chance, I would like to hear about your Taiwan trip. As you know, Park Strategies, LLC and I are registered with the U.S. Department of Justice, under the Foreign Agents Registration Act, as agents on behalf of our client, the Taipei Economic and Cultural Representative Office (TECRO) in the United States. I'll never forget my first Taiwan trip, and I want to hear about yours. I should visit D.C. in the not too distant future, at which time I'll forward to meeting you in person. A lot happened in your home state of Alaska while you were gone☺.

Daniel,

Thanks for just now taking my call; it was very nice speaking with you. As you know, Park Strategies, LLC and I are registered with the U.S. Department of Justice, under the Foreign Agents Registration Act, as agents on behalf of our client, the Taipei Economic and Cultural Representative Office (TECRO) in the United States. I want to apologize for a slight misunderstanding on my part. I just now realized that Ambassador Yuan has already met this year Senator Feinstein. So, there's really no need for another meeting so soon. But thanks again for being so accommodating, and I'm sorry for the confusion.

In the meantime, I can't tell you how much Ambassador Yuan would like to see Senator Feinstein visit Taiwan at some point in the future. I know Senator Feinstein has a full agenda these days. But if and when her schedule might one day permit, Ambassador Yuan would greatly appreciate Senator Feinstein even considering a trip to Taiwan. As Senator Feinstein's key observer of cross-Strait issues, I know how much any Taiwan visit by her might mean. It can also be combined with a trip anywhere else in Asia. Sorry again for the confusion on the meeting, and thanks for at least keeping a potential future Taiwan trip in mind.

Best wishes,

Meagan,

I'm so glad to hear you had such a good first Taiwan trip. FYI, in case you've now got a sudden craving for Taiwan biz news, here's my latest related appearance on Bloomberg,  
<http://www.bloomberg.com/apps/news?pid=newsarchive&sid=all9c1WbGfhI>

As you know, Park Strategies, LLC and I are registered with the U.S. Department of Justice, under the Foreign Agents Registration Act, as agents on behalf of our client, the Taipei Economic and Cultural Representative Office (TECRO) in the United States. Toward that end – while I realize we may have discussed this before – might Senator Begich ever consider a trip to Taiwan? A Taiwan trip can arranged, around his needs, anytime he wants, and coupled with other Asian travel. It can even be added on to an existing CODEL. As you obviously know, there's such a strong Alaska/Taiwan connection. In fact, my first-ever AK visit was a 1997 Anchorage stopover en route to Taipei. Anyway, please just think it over, and let's discuss further one day.

Kindest regards,  
Sean King

Hi Sean,

The trip was AMAZING! Josephine Lee was an amazing host and my entire group had a great time (or at least they said they did!)

Let me know when you make it to DC so we can chat in person.

As for the Governor, I will never forget where I was when I learned about it – Sun Moon Lake! And that is all I will say about that...

Talk to you soon.

Meagan

This material is distributed by Park Strategies, LLC on behalf of the Taipei Economic and Cultural Representative Office in the United States. Additional information is available at the Department of Justice, Washington, D. C.

Krista,

I'm sorry for having left you a rather noisy voicemail this morning, as I was on the Long Island Railroad. As you know, Park Strategies, LLC and I are registered with the U.S. Department of Justice, under the Foreign Agents Registration Act, as agents on behalf of our client, the Taipei Economic and Cultural Representative Office (TECRO) in the United States. As you can also imagine, one of things we'd like to do for TECRO is to encourage more senators to visit Taiwan. But we don't want to reinvent the wheel. Hence before asking senators to lead/initiate a CODEL of their own, we wanted to see if there were any currently planned Asian CODELs (on to which a Taiwan stop can perhaps be added). Do you have any suggestion(s) as to how I can find out where /when any planned Asian CODELs might be headed? Thanks so much in advance for anything you can tell me.

Keith,

Thanks again for asking Frank Januzzi to call us back. Senator D'Amato and he had a very productive conversation last month. As you know, Park Strategies, LLC and I are registered with the U.S. Department of Justice, under the Foreign Agents Registration Act, as agents on behalf of our client, the Taipei Economic and Cultural Representative Office (TECRO) in the United States.

As you might imagine, we'd like to encourage senators to visit Taiwan if and when they can. Toward that end, can you tell me of any upcoming 2009 CODELs to Asia of which you know? This way, we can perhaps inquire as to whether any travelling senators – who will already be in Asia anyway – might also be interested in a brief Taiwan stop. Thank in advance for anything you can tell us.

Krista,

Thanks for the pointer, but (as I may have suspected) Army LL says that information cannot be made public. I'm not surprised. Oh, well. I'll keep trying other places, and let you know what I find out (if anything), thanks so much again.

Sean,  
I don't know of any Asian CODELs planned. I would probably inquire with the Senate military leg liaisons' offices as I believe the military travels with every CODEL.  
The Army LL office number is 224-2881. They should be able to point you in the right direction.
